Good morning,

I would like to confirm that we will operate the parking garage on Tuesday evening under our current arrangement/contract.

As usual, we will provide you with a check for 2/3 of the income generated plus pay the parking tax and man the parking garage.

See attached documents.

Best regards,

Hello Lorena,

The parking event will be done by PBID, this will include staff and security guards, same as in the past. The charge will be a \$5.00 rate per vehicle, Standard Parking will then receive payment via check.

Please let me know if you will be needing an invoice from us, and if the insurance information has not been provided to building management please do so.

If you have a time frame the event will take place this would be helpful information.

Thank you.
